**Attention: Mayor and Council**

**RE: Requesting Support for the Construction of Synthetic Turf Surfaces at Blackburn Park**

We are writing to you on behalf of the Shuswap Youth Soccer Association (SYSA). The SYSA intends to submit applications for funding related to the construction of new synthetic turf playing surfaces on the Southwest portion of Blackburn Park.

We have two requests of Mayor and Council:

1. Support efforts of SYSA to work on the Southwest portion of Blackburn Park for new synthetic turf playing facilities; and
2. Provide a Letter of Support for SYSA Grant Applications to fundraise for the new synthetic turf facilities on the Southwest portion of Blackburn Park.

We are not currently requesting any financial assistance for this project. We understand a leasing agreement would not be considered for this future facility as it would become a part of City property.

Sincerely,

Jayme Franklin  
SYSA Interim Vice-Chair  
SYSA Facilities Committee Chair
