6. Old Business/Arising from Minutes

a) Committee Membership - Update

Councillor Lindgren outlined the Council Resolutions appointing Citizens at Large and revising the Terms of Reference for the Committee to include representatives from Shuswap Climate Action, School District No. 83 and the Canadian Association of Physicians for the Environment and introduced the new members present.

b) Bylaw Review - Tree Removal and Protection Bylaw No. 2305 and Pesticide Use Bylaw No. 3744

Tree Removal Bylaw - Luke Gubbels provided an update of the working group meeting and their review of the existing City of Salmon Arm Tree Removal Bylaw. Councillor Lindgren will seek clarification from City staff on questions identified by the working group. The working group will continue to review Bylaws from other communities and work towards providing some recommendations to Council for an updated Tree Removal Bylaw.

Pesticide Use Bylaw - Julia Beatty spoke regarding the meeting of the working group. This group is in the process of putting together information and science regarding pesticide use. This group will continue to meet with the goal of providing recommendations to Council.

Evan Chorlton, City of Salmon Arm, Recorder (Staff non-voting)

ABSENT:

Mary Landers

The meeting was called to order at 9:08 a.m.

1. Introductions and Welcome

2. Acknowledgement of Traditional Territory

We acknowledge that we are gathering here on the traditional territory of the Secwepemc people, with whom we share these lands and where we live and work together.

3. Approval / changes / additions to Agenda

Moved: Pat Kassa

Seconded: Maureen Shaffer

THAT: the Agenda for the January 10, 2022 Community Heritage Commission Meeting be approved as circulated.

CARRIED UNANIMOUSLY

4. Approval of Minutes of December 6, 2021 Community Heritage Commission Meeting

Moved: Cindy Malinowski

Seconded: Pat Kassa

THAT: the minutes of the Community Heritage Commission Meeting of December 6, 2021 be approved.

CARRIED UNANIMOUSLY

Minutes of the Community Heritage Commission of Monday, January 10, 2022

5. Old Business / Arising from minutes**a) Heritage Register Map - update**

Pat Kassa and Maureen Shaffer shared additional proposed changes for/to the Heritage Register Map. Pat Kassa prioritized the proposed changes with ones that would be the most helpful for Heritage Week next month. Evan Chorlton and Planning Staff will talk with Gregg Patterson to determine his potential availability to work on this.

Debbie Cannon will send an email to Lana Fitt of the Economic Development Society, arranging for the use of equipment for Heritage Week.

Moved: Pat Kassa

Seconded: Maureen Shaffer

THAT: the list of proposed/suggested changes to the Heritage Register Map be approved as presented.

CARRIED UNANIMOUSLY

b) Heritage Conservation Awards - update

Evan Chorlton provided an update on the status of the Heritage Conservation Awards. The awards will be presented at the February 28 Regular Council Meeting. The details for the presentation will be discussed at the February Community Heritage Commission meeting.

6. New Business**a) City of Salmon Arm Heritage Strategy**

The Commission briefly discussed the City's Heritage Strategy and Implementation Table. Cindy Malinowski said that the Commission used to review this annually. The Commission tabled further discussion of this item for a subsequent meeting after Heritage Week.

b) McGuire Lake Park Heritage Plaque

Evan Chorlton (via Mary Landers) shared that the McGuire Lake Park heritage plaque had been vandalized with scribbling on the plexiglass back in December 2021. Deborah Chapman will visit the plaque to see if this has since been resolved. Debbie Cannon noted that if the plaque is still vandalized, Public Works will need to be involved.

Moved: Pat Kassa

Seconded: Cindy Malinowski

THAT: the Community Heritage Commission supports using funds from the Commission's annual budget to fix the plaque, if necessary.

CARRIED UNANIMOUSLY

Minutes of the Community Heritage Commission of Monday, January 10, 2022

c) Approval of changes to original Heritage Register document and process of getting it to council

Maureen Shaffer provided a detailed overview of additional proposed changes for the Heritage Register. Debbie Cannon will talk with the owner of Skelton House/Gabe’s Bunkhouse, Holly Ready regarding a potential name change of her Heritage Register home from ‘Skelton House/Gabe’s Bunkhouse’ to the ‘Matthews House’. Maureen Shaffer and Pat Kassa will finalize the list of proposed changes by Friday, January 14, and will circulate it to the group by Monday, January 17.

Moved: Maureen Shaffer

Seconded: Pat Kassa

THAT: the list of proposed/suggested changes to the Heritage Register be approved as presented.

CARRIED UNANIMOUSLY

7. Other Business &/or Roundtable Updates

a) Ebl House

Deborah Chapman provided an update on the Ebl House, and provided a draft of the Statement of Significance (SOS) and Legal Plan. The Commission will decide whether or not to add this property to the Heritage Register at the next Commission meeting in February.

b) Merton House

Linda Painchaud spoke regarding the Merton house at 1371 Okanagan Avenue NE. Pat Kassa and Deborah Chapman will prepare a letter to the owner regarding potential interest in the house being placed on the Heritage Register/Inventory.

8. Next Meeting

Monday, February 7, 2022 at 2:00 p.m.

9. Adjournment

The Community Heritage Commission Meeting of January 10, 2022 adjourned at 10:54 a.m.

CITY OF SALMON ARM

Minutes of the Downtown Parking Commission Meeting held by electronic means on Tuesday, January 18, 2022.

PRESENT:

Chad Eliason	Councillor, City of Salmon Arm, Chair
Bill Laird	Member at Large
Regan Ready	Member at Large
Vic Hamilton	Member at Large
Cathy Ingebrigston	Member at Large
Morgan Matheson	DSA Representative
Gerald Foreman	DSA Representative
Jacquie Gaudreau	DSA Representative
Sam Darlington	Resource Personnel, Bylaw Officer
Jenn Wilson	Resource Personnel, City Engineer
Robert Niewenhuizen	Resource Personnel, Director of Engineering & Public Works, Recorder

ABSENT: None

GUEST: None

The meeting was called to order at 8:00 a.m. by Chair Chad Eliason.

1. **INTRODUCTIONS AND WELCOME**

2. **ACKNOWLEDGEMENT OF TRADITIONAL TERRITORY**

We acknowledge that we are gathering here on the traditional territory of the Secwepemc people, with whom we share these lands and where we live and work together.

3. **PRESENTATIONS:**

None

4. **APPROVAL / CHANGES / ADDITIONS TO AGENDA**

Moved: Jacquie Gaudreau

Seconded: Bill Laird

THAT: the Downtown Parking Commission Meeting Agenda of January 18, 2022 be approved as circulated.

CARRIED UNANIMOUSLY

5. APPROVAL OF MINUTES FROM NOVEMBER 16, 2021

Moved: Morgen Matheson

Seconded: Jacquie Gaudreau

THAT: the Downtown Parking Commission Meeting Minutes of November 16, 2021 be adopted.

CARRIED UNANIMOUSLY

6. OLD BUSINESS ARISING FROM MINUTES

a. **Parking Rate discussion (continued, deferred motions from November 16, 2021 meeting)**

Moved: Reagan Ready

Seconded: Cathy Ingebrigston

THAT: parking meter rates be increased from .25/hour to \$1.00/hour effective July 1, 2022.

CARRIED UNANIMOUSLY

Moved: Reagan Ready

Seconded: Cathy Ingebrigston

THAT: the rates for reserved parking stalls be increased as per staff recommendation to \$50.00/month for non-personalized stalls and \$60.00/month for personalized stalls.

CARRIED UNANIMOUSLY

- The intent would be to provide a six (6) month notification period prior to the new parking rates taking affect.
- Amendments to the Fee for Service Bylaw 2498 will be required to reflect these changes.

b. **Ross Street Underpass Construction (Lakeshore Parking update)**

- Project update provided,
- Lakeshore Road closure discussed,
- Staff to investigate the installation concerns at the Lakeshore Road and 4 Street NE intersection. Possibly installing temporary stop or yield signage.
- Correspondence from DSA regarding on street parking along Ross Street; Request to have "temporary" 15 minute parking/loading zones install to accommodate the businesses during the RSU construction.

6. OLD BUSINESS ARISING FROM MINUTES - continued

b. **Ross Street Underpass Construction (Lakeshore Parking update) - continued**

Moved: Reagan Ready

Seconded: Jacquie Gaudreau

THAT: temporary 15 minute parking/loading zone be installed on the 300 Block of Ross Street to accommodate business during the Ross Street Underpass construction.

CARRIED UNANIMOUSLY

7. NEW BUSINESS

a. **Downtown Parking Year End 2021 - Bylaw Presentation**

Bylaw Officer Sam Darlington outlined the 2021 year end statistics and was available to answer questions.

b. **15 minute parking on Hudson Ave West (Lakeside Printing)**

- Discussion regarding the purpose and history of the 15 minute parking area

Moved: Reagan Ready

Seconded: Vic Hamilton

THAT: the 15 minute parking zone (three stalls) located on Hudson Street be removed and the affected stalls revert back to regular parking.

CARRIED UNANIMOUSLY

c. **2022 Meeting Calendar**

The 2022 Meeting calendar was reviewed and accepted as presented.

d. **2022 Chairperson Schedule**

The 2022 Chairperson Schedule was reviewed and accepted as presented. It was noted that the membership for Downtown Salmon Arm representatives expires on February 28, 2022.

8. OTHER BUSINESS

9. NEXT MEETING - Tuesday, February 15, 2022

The next meeting of the Downtown Parking Commission will be Tuesday, February 15, 2022. The Chairperson will be Vic Hamilton.

10. ADJOURNMENT

Moved: Reagan Ready

Seconded: Vic Hamilton

THAT: the Downtown Parking Commission Meeting of January 18, 2022 be adjourned.

CARRIED UNANIMOUSLY

The meeting adjourned at 8:45 a.m.

TO: His Worship Mayor Harrison and Members of Council
DATE: January 20, 2022
SUBJECT: Property Disposition – 5920 Auto Rd SE

Recommendation:

THAT: the Mayor and Corporate Officer be authorized to execute the Contract of Purchase and Sale with Northern Plastics Ltd. for the disposition of property legally described as Lot 1, Section 5, Township 20, Range 9, W6M KDYD Plan 42507, except Plan EPP59942 for \$220,000.00 plus applicable taxes, subject to Community Charter advertising requirements.

Background:

Through negotiations, Northern Plastics Ltd. has offered the City \$220,000.00 to purchase the property located at 5920 Auto Rd SE, shown in on Appendix A. This property is land only and is not serviced.

Considering all factors, including the City's future plans and the required environmental remediation, staff recommend disposing of the property for the offered amount.

Following approval of the disposition, staff will advertise in accordance with Community Charter requirements.

Respectfully Submitted,

Erin Jackson
Acting Chief Administrative Officer

CITY OF SALMON ARM

To: His Worship Mayor Harrison and Members of Council

Date: January 13, 2022

Subject: Zoning Bylaw Amendment Application No. 1227

Legal: Lot 3, Section 31, Township 20, Range 9, W6M, KDYD, Plan EPP106597
 Civic Address: 6821 46 Street NE
 Owner/Applicant: A. McCaffrey

STAFF RECOMMENDATION

THAT: a bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 by rezoning Lot 3, Section 31, Township 20, Range 9, W6M, KDYD, Plan EPP106597 from R1 (Single Family Residential) to R8 (Residential Suite Zone).

AND FURTHER THAT: final reading of the zoning amendment bylaw be withheld subject to:

- 1) registration of an SRW, as required by BC Hydro, and
- 2) approval by the Ministry of Transportation and Infrastructure.

PROPOSAL

To rezone an R1 (Single Family Residential Zone) property to R8 (Residential Suite Zone) in order to permit the development of a secondary suite within the existing single family dwelling.

BACKGROUND

The subject property is located in the new Turtle Ridge subdivision in the Canoe neighbourhood (Appendix 1 & 2). The parcel is designated Residential Low Density in the City's Official Community Plan (OCP), and zoned R1 (Single Family Residential) in the Zoning Bylaw (Appendix 3 & 4).

Adjacent land uses include the following:

North:	Vacant lot	Zoned R1
South:	Vacant lot	Zoned R1
East:	Vacant lots, Single Family Dwelling	Zoned R1
West:	Vacant lot (future subdivision)	Zoned R1

The subject property is approximately 846.4m² in area. An approximate 236.0m² (2540ft²) single family dwelling is proposed. The proposed basement suite is 56.3m² (606ft²). The plans show that the entrance to the proposed suite will be on the south side of the building (Appendix 5). Drawings provided in support of the rezoning application are attached as Appendix 5. Parking is to be provided onsite in the proposed two-car garage and driveway. The site contains a 6.0m wide statutory right of way along the east property line. The right of way protects BC Hydro and Power Authority utility connections. The proposed development would not impact this right of way area. To date, there are no R-8 zoned properties in this subdivision and approximately ten (10) R8 properties within the greater Canoe community. Site photos are attached as Appendix 6.

Policy 8.3.25 of the OCP provides for the consideration of secondary suites in all Residential (High, Medium, and Low) designated areas via a rezoning application, subject to compliance with the Zoning Bylaw and the BC Building Code.

COMMENTS

Fire Department

No concerns.

Building Department

No concerns. British Columbia Building Code (BCBC) will apply.

FortisBC

No issues with this proposal.

Engineering Department

No concerns.

BC Hydro

BCH needs a blanket Distribution Statutory right-of-way.

Ministry of Transportation and Infrastructure

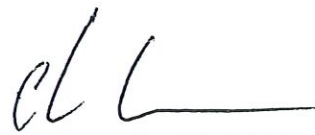

Preliminary Approval has been granted.

Planning Department

Based on parcel area, the subject property has the potential to meet the conditions for the development of a secondary suite, including sufficient space to meet the parking requirement. The secondary suite is supported by the previously mentioned OCP policy and the proposed layout of the unit is compliant with zoning requirements, including an additional off-street parking space for the suite (on the proposed driveway). Staff support the rezoning of the subject property from R1 (Single Family Residential Zone) to R8 (Residential Suite Zone).

BYLAW NO. 4489

A bylaw to amend "District of Salmon Arm Zoning Bylaw No. 2303"

WHEREAS notice of a Public Hearing to be held by the Council of the City of Salmon Arm in the Council Chambers at City Hall, 500 - 2 Avenue NE, Salmon Arm, British Columbia and by electronic means, on February 14, 2022 at the hour of 7:00 p.m. was published in the 2022 and 2022 issues of the Salmon Arm Observer;

AND WHEREAS the said Public Hearing was duly held at the time and place above mentioned;

NOW THEREFORE the Council of the City of Salmon Arm in open meeting assembled enacts as follows:

1. "District of Salmon Arm Zoning Bylaw No. 2303" is hereby amended as follows:

Rezone Lot 3, Section 31, Township 20, Range 9, W6M, KDYD, Plan EPP106597 from R-1 Single Family Residential Zone to R-8 (Residential Suite Zone), attached as Schedule "A".

2. SEVERABILITY

If any part, section, sub-section, clause of this bylaw for any reason is held to be invalid by the decisions of a Court of competent jurisdiction, the invalid portion shall be severed and the decisions that it is invalid shall not affect the validity of the remaining portions of this bylaw.

3. ENACTMENT

Any enactment referred to herein is a reference to an enactment of British Columbia and regulations thereto as amended, revised, consolidated or replaced from time to time.

4. EFFECTIVE DATE

This bylaw shall come into full force and effect upon adoption of same.

CITY OF
SALMON ARM

Date: January 18, 2022
To: Mayor Harrison and Members of Council
From: Chelsea Van de Cappelle, Chief Financial Officer
Subject: Revenue Anticipation Bylaw No. 4495

Recommendation

That Bylaw No. 4495 cited as the "City of Salmon Arm Revenue Anticipation Borrowing Bylaw No. 4495", be given 3 readings;

And that the Mayor and Corporate Officer be authorized to execute any applicable agreements to facilitate same.

Background

As per Section 177 of the Community Charter, a Council may, by bylaw, provide for the borrowing of money to meet current expenditures and to pay amounts required to meet the municipalities taxing obligations in relation to other local governments.

As the City's tax collection does not occur until July 4, 2022, it may be necessary to temporarily borrow funds to cover expenditures in the first six (6) months of 2022.

The aforementioned bylaw provides the City with the authority to undertake such borrowings, should they be necessary.

Respectfully Submitted,

Chelsea Van de Cappelle, CPA

CITY OF SALMON ARM

BYLAW NO. 4495**A bylaw to provide for the borrowing of money in anticipation of revenue required to meet current lawful expenditures of the municipality in 2022**

WHEREAS the Council of the City of Salmon Arm may, by bylaw, in accordance with Section 177 of the Community Charter, without assent of the electors or the approval of the Inspector of Municipalities, provide for the borrowing of money as may be necessary to meet current lawful expenditures of the municipality and to pay amounts required to meet the municipality's taxing obligations in relation to another local government or other public body;

AND WHEREAS the debt outstanding shall not exceed, at any time, the sum of the unpaid taxes for all purposes imposed during the current year and the money remaining due from other governments;

AND WHEREAS prior to the adoption of the Annual Property Tax Bylaw in any year, the taxes in that year are deemed to be 75% of all taxes imposed for all purposes in the preceding year;

AND WHEREAS the whole amount of taxes imposed in the immediate preceding year was \$35,323,109.06;

AND WHEREAS the sum of unpaid current taxes for all purposes imposed during the current year and the money remaining due from Other Governments totals \$26,492,331.80;

AND WHEREAS in order to meet the current lawful expenditures of the municipality it may be necessary to borrow up to the sum of \$1,000,000.00;

AND WHEREAS there are no liabilities outstanding under Section 177;

NOW THEREFORE the Council of the City of Salmon Arm in open meeting assembled enacts as follows:

1. The Council shall be and is hereby empowered and authorized to borrow upon the credit of the municipality an amount or amounts not exceeding the sum of One Million Dollars (\$1,000,000.00).
2. The form of obligation to be given as acknowledgement of the liability shall be a promissory note or notes bearing the corporate seal and signed by the Mayor and Treasurer.

- 3. All unpaid taxes and the taxes of the current year when levied or so much thereof as may be necessary shall, when collected, be used to repay the money so borrowed.

SEVERABILITY

- 4. If any part, section, sub-section, clause of this bylaw for any reason is held to be invalid by the decisions of a Court of competent jurisdiction, the invalid portion shall be severed and the decisions that it is invalid shall not affect the validity of the remaining portions of this bylaw.

ENACTMENT

- 5. Any enactment referred to herein is a reference to an enactment of British Columbia and regulations thereto as amended, revised, consolidated or replaced from time to time.

EFFECTIVE DATE

- 6. This bylaw shall come into full force and effect upon adoption.

CITATION

- 7. This bylaw may be cited as "City of Salmon Arm Revenue Anticipation Borrowing Bylaw No. 4495".

CITY OF
SALMON ARM

TO: His Worship Mayor Harrison and Council

DATE: January 5, 2022

SUBJECT: Airport Terminal Building Lease and Fee for Service Bylaw Amendment

MOTION FOR CONSIDERATION:

THAT: Bylaw No. 4491, cited as “City of Salmon Arm Fee for Service Amendment Bylaw No. 4491” be read a first, second and third time.

AND THAT: Council authorize the Mayor and Corporate Officer to execute a three (3) year lease agreement (April 1, 2022 to October 31, 2024) with Rick Scott dba North Okanagan Vertical Adventures for the use of 67.6 square meters of floor space in the Shuswap Regional Airport (Salmon Arm) terminal building for a monthly rent of \$628.00 plus GST for the main floor area and \$628.00 plus GST for the basement floor area subject to *Community Charter* notification requirements and adoption of Salmon Arm Fee for Service Amendment Bylaw No. 4491.

BACKGROUND

Rick Scott (North Okanagan Vertical Adventures) has been operating a sky diving business at the Shuswap Regional (Salmon Arm) Airport since 2013. He has requested to renew his agreement to rent the Terminal Building for another term and the Shuswap Regional Airport Safety and Operations Committee have no concerns.

Fee for Service Amendment Bylaw No. 4491 (attached as Appendix A) will increase the fees for 2022 to \$628.00 plus GST for office space on the main floor and \$628.00 plus GST for storage space in the basement from \$612.00 plus GST for each space in the previous year. This represents an increase equivalent to BC CPI. Annual increases equivalent to BC CPI will also be applied in 2023 and 2024.

Once Fee for Service Amendment Bylaw No. 4491 has been adopted, staff will advertise in accordance with Community Charter requirements and a new agreement will be executed with NOVA.

Respectfully submitted,

Erin Jackson

Mayor and Council, City of Salmon Arm

Date

January 19, 2021

RE: Salmon Arm RCMP Detachment
Quarterly Policing Report – October 2021 to December 31, 2021.

Dear Mayor and Council,

My report this quarter covers the time period from October 1, 2021 to December 31, 2021.

Detachment News

I have reported in the past that our Detachment continues with COVID protocols and continue with using the appropriate PPE. One officer did come down with COVID and has recovered. It was determined that it was not connected to the workplace.

At this time one-member position is not occupied by a regular member due to a retirement. I am happy to report that two officers have returned from light duties due to injuries. We continue to have 4 officers who are away from work due to injuries and illness or have retired. The vacancies are split evenly between the provincial and municipal business lines.

We are working with public service staffing to fill our vacant public service administration position at this time. The process is moving along quite well.

Over this quarter the officers responded to over 2000 calls for service. Of these calls, 1440 were within the City of Salmon Arm. The call volume represents 72% of our total file workload, and an increase of 211 calls for service over 2020 within the city. This represents a 17% increase over 2020. Our records department continues to have a substantial backlog.

I have included my customary statistics broken down by jurisdiction. As you can readily see that Break and Enter reports are up, Sexual assault reports are up and violent person's crime is up over 2020 statistics. Again, these trends are not unexpected as people come out of COVID restrictions and social supports brought on by COVID concerns lessen. One notable reduction in calls for service is in the area of domestic violence within the city.

I have been watching the policing budget and at this juncture we are estimated to be slightly under budget if the current trends continue. I have also been told that back pay due to

the collective agreement will be dispersed to RCMP officers for 2017, 2018, 2019, 2020 and partial dispersal for 2021 in the current RCMP fiscal budget year (2021-2022). Some back pay will be paid out in the 2022 - 2023 RCMP Fiscal budget year but this percentage is smaller.

Officers continued to be busy in traffic law enforcement despite COVID and logged:

- Over 123 Documented traffic stops.
 - Which includes removing more than 32 impaired and prohibited drivers from the road.
 - Our dedicated BC Highway Patrol continues to work in our jurisdiction.
- We had 6 collisions with damage over \$10,000 or injuries were reported within Salmon Arm. This is down markedly from 2020 which saw 23 in these categories.
- There were no fatal collisions within the city boundaries and only one fatal ATV collision on a rural road.

Investigative highlights and low lights this past quarter:

- Our General Investigation Section (GIS) has been supporting General Duty calls for service as we have been down members due to illness and rehab work.
 - They have continued to investigate 3 on line child pornography files and one major child abuse allegation in Salmon Arm in the past quarter.
- Property Crime:
 - Reports of residential break and enter numbered 6, lower than historic trends.
 - Break and enter reports to business numbered 19 and up over 2019 and 2020.
 - Our officer laid 8 charges in these break and enter investigations.
- Our Victim Services staff member continues to respond to support victims. A second person is nearing completion of the security screening and should be involved in training soon. The work load continues to be high in this field and we have seen other area Police Based Victim Services Units collapse. They have collapse under the high work load and the stress of supporting so may victims. In my opinion it is an under staffed genre of police support.

Looking forward:

Our detachment has fully activated our on line crime reporting system.

Our detachment has continued to support provincial operations when and where required. These deployments are in accordance with the policing agreements with the province and the municipalities at this time.

Yours in Service,

Scott West, S/Sgt.

CITY OF SALMON ARM

To: His Worship Mayor Harrison and Members of Council

Date: January 7, 2022

Subject: Development Variance Permit Application No. VP-544 (Setback)

Legal: Lot 2, Section 13, Township 20, Range 10, W6M, KDYD, Plan EPP104309
 Civic Address: 870 10 Street NE
 Owner/Applicant: Bernard, R.

STAFF RECOMMENDATION

THAT: Development Variance Permit No. VP-544 be authorized for issuance for Lot 2, Section 13, Township 20, Range 10, W6M, KDYD, Plan EPP104309 to vary Zoning Bylaw No. 2303 as follows:

Section 13.12.4 Exterior Side Parcel Line Setback reduction from 6.0 m to 3.0 m to facilitate construction of an attached garage addition to the existing single family dwelling on this property.

PROPOSAL

The subject parcel is located at 870 10 Street NE (Appendices 1 and 2). The proposal is to construct an attached garage addition onto the southwest side of the existing single family dwelling in place of the existing carport (Appendix 5). Due to the shape of the lot, the proposed location of this addition requires an exterior side setback variance from 6.0 m to 3.0 along the west property line.

BACKGROUND

The parcel is designated High Density Residential (HR) in the City's Official Community Plan (OCP) and is zoned R8 (Residential Suite) in the Zoning Bylaw (Appendices 3 and 4). The subject property is located in the Downtown area, with frontage onto both 10 Street NE and 9 Avenue NE, while also fronting onto a common access back lane. This area largely consists of residential and institutional uses. Nearby uses include the Shuswap Lake General Hospital, McGuire Lake Park, and Salmon Arm Secondary School (Jackson Campus).

Land uses directly adjacent to the subject property include the following:

North: Single Family Dwelling/Residence	Zoned R1
South: Single Family Dwellings/Residences	Zoned R1
East: New Dwelling (lot subdivided from subject property in December 2020)	Zoned R8
West: Single Family Dwellings/Residences	Zoned R1

The property is 0.086 ha (864.2 m²) in size and currently contains a single family dwelling with a carport, both of which were approximately built in 1959. The property owner/applicant is proposing a new 32'-10" x 21'-0" (689.5 ft²) attached garage on the property. Asides from Section 13.12.4 of the Zoning Bylaw, the proposed addition meets all other R8 – Residential Suite Zone regulations.

Site photos are attached, as Appendix 6.

COMMENTSBuilding Department

No concerns.

Fire Department

No concerns.

FortisBC

No issues with this proposal.

Engineering Department

No concerns.

Planning Department

Development Variance Permits are considered on a case-by-case basis, and in doing so, a number of factors are taken into consideration when reviewing a request. These factors include site-specific conditions, such as lot configuration, negative impact to the general form and character of the surrounding neighbourhood and negative impact(s) on adjacent properties.

As described in the letter of reason submitted by the owner/applicant (Appendix 7), the owner wishes to carry out/undertake renovations to the existing single family dwelling, including the existing carport. Because the existing carport requires significant structural upgrading, the owner wishes to add a new double garage in its place that ties into the existing dwelling. As briefly eluded to on the first page, since the existing dwelling is on a corner lot that is situated on the corner of 10 Street NE and 9 Avenue NE, there are two different 6.0 m exterior parcel line setbacks, making complying with these setbacks that much more difficult.

Non-conformance with current Zoning Bylaw regulations is not uncommon in older neighborhoods. Historically, there have been approximately 8 previous different Development Variance Permit applications in the surrounding neighbourhood (i.e. 10 Street NE, 9 Avenue NE, and 8 Avenue NE), which includes one previous servicing variance for the subject property. Of which, all 8 Variance Permits were issued, including two recent setback variance applications for 940 9 Avenue NE (VP-508; issued in February 2020) and 941 8 Avenue NE (VP-516; issued in June 2020). In addition, and by looking at Appendix 2, since this is a relatively older neighbourhood, there are a number of single family dwellings on adjacent properties that do/would not meet current minimum setback zoning regulations. That being said, staff suggest that the proposed attached garage addition and requested exterior side variance would have limited visual impact on the adjacent properties because this proposal is positioned on a corner lot and the proposed addition is a single level in height within the exterior side yard and screened by existing vegetation.

Staff feel that this variance request will not unreasonably or significantly affect the character of the parcel, and are in support of this application.

APPENDIX 6

To: Planning Dept. City of Salmon Arm
Subject: Variance Permit Application_ 870-10th ST NE
Date: Dec. 10, 2021.

To whom it may concern,

Please except this short letter explaining the reason for my Variance Permit Application for my single-family residence at 870-10th ST, NE, Salmon Arm.

A brief history about the house, it sat for over many years (1959) and nothing ever done to it as far as upgrading or updating until I had purchased it this year in January 2021. I am in the process of having the Interior Renovation drawings completed so I can submit in the spring for a Building Permit.

It has a single existing Carport that needs a lot of Structural upgrading according to the Building Inspector, so, I would like to add on to the existing and turn into a nice double garage that ties into the house.

My house sits on the corner 10th St and 9th Ave with a Rear Lane apparent as well, (see Site Plan) as the official Front Address is considered the "Exterior Side Yard", the Lot comes to somewhat of a point and makes complying to all the setbacks very difficult.

But by wanting to do so the corner of the Garage crosses into the 6 m setback...front and rear.

thus, my request for the Variance Permit Application.

Again, thank you for considering my Application.

Cheers

Bob Bernard (owner)
870-10th ST NE

AND THAT: Issuance of DP-436 be withheld subject to the following:

- 1) Receipt of a security deposit in the amount of 125% of a landscaper's estimate for completion of the approved landscaping plan.**

PROPOSAL

The subject parcel, 3601 20 Avenue SE, is located approximately 600 m west of the Salmon Arm Regional Airport (Appendix 1).

The proposal is for the development of the second phase of a proposed three-phased industrial use facility. Initially, Phase 1 included the construction of four 468 m² (5,038 ft²) storage buildings for *mini warehousing* use, totalling nearly 1,858 m² (20,000 ft²) in storage space. The second phase (Phase 2) of the development will include approximately 1,486 m² (16,000 ft²) of commercial warehouse space in the form of two 8,000 ft² buildings on the front portion of the existing development (Appendix 2). Each building has initially been designed to have four 2,000 ft² bays per building (Appendix 2). A letter of proposal (Appendix 3) provides further details on the application and proposal.

BACKGROUND

The subject parcel is 3.6 ha (8.9 ac) in area, designated Industrial - Light (IL) in the City's Official Community Plan (OCP), and zoned M-1 - General Industrial (Appendix 4 and 5). The parcel is within a designated Special Development Area, identified in the 1980s for the future expansion of the City's Industrial Park. In 2006, the parcel was excluded from the Agricultural Land Reserve (ALR) and rezoned from Rural Holding (A-2) to (M-1). With the adoption of the OCP in 2011, the subject property and adjacent block of land (60 ha) fronting 10 Avenue SE and 20 Avenue SE were re-designated from "Industrial" to "Light Industrial" for future land use and included within the "Industrial Development Permit Area". This development permit area designation means that any development is subject to the form and character design policies under Section 10.5 of the OCP (attached as Appendix 6).

Land uses directly adjacent to the subject property are as follows:

North: A2 (Rural Holding) parcel within the ALR, OCP designation Industrial - Light (IL)

South: A2 (Rural Holding) parcel within the ALR

East: M2 (Light Industrial), OCP designation Industrial - Light (IL) (Access Precision)

West: M6 (Industrial Holding) parcel not in the ALR; and three rural parcels all zoned A2 (Rural Holding) and within the ALR

This is the third (and second of the subject property) form and character industrial development permit application within this Industrial - Light designated area to come before City Council. The first such development permit was issued for the property directly east in 2014 (Access Precision Machining), while the second was recently issued in October 2021 for Phase 1 of this development. Staff note that a future road network has been planned over this area in order to support the future Industrial-Light development area (Appendix 7). The subject parcel is almost entirely clear of vegetation and construction associated with Phase 1 is currently ongoing. Site photos are attached as Appendix 8.

COMMENTS

Fire Department

Fire Hydrants required.

Building Department

No concerns. Part 3 building will require full professional design and review.

Design Review Panel

The Development Permit application triggered referral to the Design Review Panel (DRP). The DRP supported the application as presented, noting the high quality colours and materials (Appendix 9).

Engineering Department

Comments attached (Appendix 10).

Planning Department

This application is to permit the development of two new commercial warehousing structures: simple buildings with brick and stone facades and flat roofs. This development is subject to the form and character design policies under Section 10.5 of the OCP (attached as Appendix 6), categorized specifically as siting and building, landscape and screening, as well as access, circulation, and parking area guidelines.

Siting and Building Guidelines

The proposed development includes two buildings and associated drive aisles (asphalt driveways with parking stalls and a commercial loading area), as well as landscaping near the property's frontage.

The form and character of the buildings proposed are similar yet somewhat original to other industrial buildings in the area. The materials proposed are brick veneer, manufactured stone masonry, and concrete masonry veneer, with charcoal trim, doors and fascia. Somewhat minimal architectural details are proposed, with no roof overhang, the buildings feature articulated rooflines and facades (including the awnings over the doors and exterior lighting), and due to the nature of this business, the majority of the windows are located on only one face of the buildings. The buildings proposed as part of this phase would be set back 6.1 m from the east interior parcel line and 8.3 m from the west interior parcel line (6.0 m permitted), and/but are also set back significantly from the front and rear property lines. The main entrance of the front-most building will also be oriented to the dominant street frontage (20 Avenue SE), will have a well-defined entry (with storefront doors, windows and visible signage) and planning staff believe that both proposed buildings of Phase 2 will provide positive architectural interest (which align with OCP policies 10.5.9 and 10.5.10).

Staff still have some concerns around alignment with Crime Prevention Through Environmental Design (CPTED) principles (OCP 10.5.11) as it appears that no lighting has been proposed/provided on 3/4 sides of both buildings. Although not necessary, staff still recommend the applicant include additional exterior site lighting.

Staff feel that the proposed development substantially aligns with the Industrial Development Permit Area objectives and design guidelines. The proposed building's form, character and materials are of high quality relative to typical industrial 'metal box' building forms. The Design Review Panel noted no concerns through their review and support of the proposal as presented.

Landscape and Screening Guidelines

As seen/shown in the most recent landscape plan, this phase of the development proposes two landscaped areas along either side of the front-most proposed building, consisting mostly of shrubs and grasses, with one new tree proposed for the east landscaped area (a *Syringa Reticulata* 'Ivory Silk' tree). All plantings proposed are drought tolerant and deer resistant, aligned with OCP policies 10.5.15 and 10.5.18.

The proposed phasing of this development means that the entire northern portion of the lot will not be developed until Phase 3. This means that a significant amount of the parcel will remain as is until then. A 2.0 m high chain link fence was proposed around the property as a means of site security for Phase 1 and followed property lines to the north, west, and east (along future property line at road reserve boundary). This included a sliding gate at the driveway access to Phase 1 of the development. However, unlike Phase 1, staff note that visual screening is not required by the Zoning Bylaw for Phase 2 of the development (two new commercial warehouses). That being said, temporary garbage is proposed and will be located near the east property line, which will once again be required to be screened.

Since City Council had some reservations about the landscaping along the frontage of 20 Avenue NE with the last Development Permit (DP-430; Phase 1), planning staff have encouraged the applicant to plant approximately 3-4 trees along the south lot boundary. The species suggested to the applicant were either Red Maple or London Planetree. In addition, staff have advised that a similar buffer along the west boundary of the Road Reserve is encouraged along the east side of the proposed septic fields (for example, hedges such as Oregon Grape or Common Lilac). All species that have been recommended to the applicant are fire smart, according to the FireSmart BC Plant Chart. The applicant has noted that they are sure they will be able to make the necessary adjustments to the landscaping.

Access, Circulation, and Parking Guidelines

The newly-proposed two-building development of Phase 2 proposes the same curving access route as Phase 1 with adjacent parking spaces along asphalt driveways, which aligns with OCP policy 10.5.24. The majority of the parking area is screened from 20 Avenue SE by the proposed buildings.

Zoning

The proposed warehousing use is permitted in the M-1 General Industrial Zone, subject to BC Building Code and zoning regulations (parking area and access, screening and landscaping requirements). The proposed buildings are slightly more than 8 metres in height, far less than the 15 m maximum building height, while all requisite setbacks are met.

Staff note that one parking space is required for every 100 square metres plus 1 per 2 employees and a total of two loading spaces for this phase of the development, as illustrated on the site plan. The proposal meets these parking requirements, showing 22 parking spaces (14 spaces are required). Both the driveway and circulation surfaces surrounding the buildings of Phase 2 are proposed as asphalt surfaces. Aisle widths of 7.3 m are proposed, meeting circulation requirements.

As noted previously, this application addresses the second phase of development, with the site plans submitted showing the previous Phase 1 and 'open storage' on Phase 3. As the subject parcel is within the "Industrial Development Permit Area" any further phases will also be subject to the form and character design policies under Section 10.5 of the OCP and will require Development Permit applications prior to development proceeding.

Road Reserve

A future road network has been planned affecting the subject parcel to support the future development and expansion of the Industrial Park (Appendix 6), and as such is once again a key element of this proposal. The proposal includes a 10 m wide strip along the east parcel line for the future road network. Given road construction is still premature at this time but recognizing the importance of the future road plan, staff had previously recommended that the registration of a Section 219 road reserve covenant was to be made as a condition of issuance of the previous building permit to secure the future road alignment. Staff have received confirmation of registration of said covenant and do not require another Section 219 road reserve covenant. Staff also note that road construction would be triggered by future subdivision.

A building setback of over 6.0 m is once again proposed on the east side of Phase 2 from both buildings to the 10.0 m future road, as required for an exterior side setback in the M-1 zone (Appendix 6). At the Development Permit stage, road dedication, upgrades and the extension of water, sanitary and storm sewer mains (or a cash contribution in lieu of those extensions) are not required. Servicing upgrades, including road dedication, may once again be required either at the time of the Building Permit or upon further subdivision of the property.

CONCLUSION

Staff consider the development as proposed to be a positive addition to the industrial area, generally consistent with the Industrial Development Permit objectives and guidelines, and note that the future road plan for this area has been included in the proposal. Considering the use and the location, and noting the development potential of the site and the proposed visually appealing building adjacent to the street, staff recommend support of the proposed development subject to the receipt of landscaping bonding.

Landscape Specifications

- 1 The scaled dimensions on this drawing are approximate. Before proceeding with any work, the contractor shall check and verify all dimensions and quantities.
- 2 Plant material shall meet or exceed the British Columbia Landscape Standard, 2007, 7th edition for nursery stock size and quality. Plant materials listed in the accompanying Plant List have been specified according to the Canadian Nursery and Landscape Association Standard for Nursery Stock and the BCNA Standard for Container Grown Plants. Nursery shall be certified free of Sudden Oak Death (SOD).
- 3 Plant list substitutions permitted with the approval of the Landscape Consultant.
- 4 Landscape Contractor shall take measures to prevent unnecessary soil compaction during landscape work.
- 5 Planting medium shall meet or exceed the British Columbia Landscape Standard, 2008, 7th edition for level 2 Groomed and level 3 of tolerable areas. Minimum planting depths are:
 - A. Turf areas 60mm
 - B. Ground covers 300mm
 - C. Shrubs 600mm
 - D. Trees 600mm
- 6 Stake the trees only if they are unable to support themselves. If staking is required, stake with two 50mm diameter, 15 metre wooden stakes. Drive stakes into the undisturbed soil outside of the root ball.
7. Using two 50mm flexible canvas or vinyl straps in a figure of eight formation, attach the strapping to the stakes with a galvanized roofing nail.
8. Remove the tree stakes 12 months after installation.
9. Plant materials shall be guaranteed to the owner for a period of one year after substantial completion against death due to unhealthy supply or installation conditions and wrong species or variety.
10. All planting areas shall be covered with a minimum of 3" composted bark mulch to help prevent moisture loss due to evaporation and to assist in weed control.
11. A drip line irrigation system shall be installed so that each plant receives its own water emitter(s).

- NOTES
1. RECOMMEND DRIP IRRIGATION FOR PLANTING BEDS.
 2. ALL TREES, SHRUBS, AND GRASSES ARE DROUGHT TOLERANT AND DEER RESISTANT.
 3. IRRIGATION CAN BE SIGNIFICANTLY REDUCED AFTER THE FIRST TWO SEASONS OF GROWTH.

AVIATOR BUSINESS PARK

3601 20TH AVE. SE, SALMON ARM

date: 1250 day: 25 AUG 2021 revision:

drawn by: PAT DLLON checked by: drawing: PHASE 2

THE SITE

The subject property is located at 3601 20th Ave SE, Salmon Arm, BC. We have an existing development underway on this site comprised of 20,000 sq ft of mini storage (Phase 1).

THE PROPOSAL

To develop 16,000 sq ft of commercial warehouse space by constructing two – 8000 sq ft buildings on the front portion of our existing development (Phase 2). These buildings have initially been designed as four 2000 sq ft bays per building. They will be designed to appeal to commercial/industrial businesses that need to lease warehouse space to start or grow their businesses. The buildings will be constructed entirely out of masonry, with structural concrete block, insulation and full masonry veneer.

The use of masonry for these buildings has many advantages. The buildings will be the frontage of our property along 20th Ave, and masonry provides a very attractive, elegant and timeless look for our development. Masonry is non-combustible, has a much longer lifespan than other building types and the plan is very energy efficient by design and increased thermal mass.

Drive lanes, parking areas and loading/unloading areas will be paved for sustainability and ease of use. Sidewalks and landscaped areas will be located along the front of each building. Areas for septic field, landscaping and fire lanes have been accounted for, as per the drawings.

BACKGROUND

Over the last decade, Western Canada has seen a large migration of people to the Thompson Okanagan region. While this migration in the past has largely been made up of retirees moving from the Lower Mainland or Alberta, new working conditions and desired "quality of life" have changed the demographic to include all age groups and professions. This has resulted in a real estate boom in most communities throughout this region.

This has created stresses on these communities for services as well as infrastructure. There is a lack of industrial and commercially zoned land as many areas are protected for agricultural purposes. The shortage of available land has likewise created a shortage of industrial/commercial shop facilities in the region.

As a result, leasable industrial/commercial space for tradespeople is currently negligible. It is hard to find necessary shop space for these professionals and trades who are instrumental to the area development.

The ability for new businesses to start and for existing businesses to grow is a driving factor in job creation for the area. Our Project will help to attract skilled individuals to the area as well as create positions for the existing residents to get good paying, skill developing jobs.

We did reach out to the Salmon Arm Economic Development Society at the recommendation of the Mayor of Salmon Arm and City Councillors following our last development meeting for Phase 1 of our project. Warehouse space is in short supply and was highlighted as being needed in our community.

Regards,

Jade Nielsen
President
Aviator Business Park Inc.

- f. the potential impact of the proposed industrial use on the natural environment.

Expiration of Permit

- 10.4.8 Upon expiration of a Temporary Industrial Use Permit, the use of the property shall revert to those outlined in the current Zoning Bylaw. The applicant may, prior to the expiration of the Temporary Industrial Use Permit, apply for a one time permit renewal of up to three years, approval of which will be at the discretion of City Council.

10.5 Industrial Development Permit Area

Designation

Pursuant to Section 919.1(1)(f) of the *Local Government Act*, all lands designated for Light Industrial, General Industrial, or Airport Industrial/Commercial use as shown on Map A-1 Land Use, and fronting the Trans Canada Highway, Highway 97B, 10 Avenue SE, or the north side of 20 Avenue SE are designated “Industrial Development Permit Area”.

Objectives

- 10.5.1 To promote quality building, site and landscape design.
- 10.5.2 To ensure that industrial developments provide a positive impression of Salmon Arm along provincial highways and city streets.
- 10.5.3 To promote environmentally sensitive building and landscape approaches.

Submission Requirements

- 10.5.4 Drawings submitted for a Development Permit application must meet the following minimum requirements:
- a. The site plan must include lot dimensions and setback dimensions taken from the building to all property lines; non-vehicular and vehicular access and parking layout, with dimensions for parking stalls and traffic aisles; refuse and recycling container areas, mechanical equipment at grade, and all surface materials such as paving and landscape areas;
 - b. A grading and drainage plan must indicate existing and proposed grades, proposed building floor elevations, location, layout, and elevations at top and bottom of all steps and retaining walls; and on-site infiltration areas and storm drainage;
 - c. Drawings illustrating the building appearance shall indicate the materials, finish and colour of the buildings;
 - d. A landscape plan must indicate existing vegetation to be retained and protected; hard surfaces;

steps and retaining walls; mowed and rough grass areas; planting areas; and a planting plan with a plant list showing the number, species and sizes of proposed plants; extent and type of irrigation, and landscape amenity features.

- 10.5.5 Development permit application drawings should be prepared by a registered architect or a draftsman with experience in urban design.
- 10.5.6 Landscape plans should be prepared by a registered landscape architect or a landscape designer.
- 10.5.7 Prior to formal site planning, applicants are encouraged to consult with the City's Development Services Department to determine which natural features should remain on the development site.

Siting and Building Guidelines

- 10.5.8 Design the site layout and building locations to:
 - a. retain and protect important natural vegetation, rocks, and unique site features, including unique tree species, mature trees that are not a hazard, other significant vegetation, nesting areas, and other wildlife habitat;
 - b. work with the existing topography, minimizing the need for cut and fill or tall retaining walls; and
 - c. provide a buffer for surrounding residential developments.
- 10.5.9 Orient main entrances to the dominant street frontage, with well defined entries.
- 10.5.10 Design entrances and portions of buildings visible from a provincial highway or city street with some architectural interest.
- 10.5.11 Consider the safety and security of businesses and customers in the design and layout of the development with a particular focus on Crime Prevention Through Environmental Design (CPTED) principles.
- 10.5.12 Screen roof top mechanical equipment from views in a manner that is consistent with the architectural design of the building. Screening of on-grade large mechanical equipment with noise and vibration abatement material is encouraged.
- 10.5.13 Consider the use of alternative technologies for on-site energy production, e.g., geothermal, photovoltaic and fuel cells, heat pumps.

Landscape and Screening Guidelines

- 10.5.14 Maximize the amount of landscaped areas on site to increase the natural infiltration of rain water, with landscaping along adjacent streets and adjoining residential sites.
- 10.5.15 Select trees and other plants that will be readily established and provide significant visual impact upon planting.
- 10.5.16 In the landscape plan, consider finished site grades, location and heights of retaining walls, utilities, views, shade and sun angles, needs for privacy or screening, user safety, maintenance and irrigation requirements, and all other typical site planning criteria.
- 10.5.17 Consider energy efficiency and conservation in landscape design, e.g., moderate wind, provide shade in summer, allow sunlight and daylight into buildings.
- 10.5.18 Developments are encouraged to incorporate native, low maintenance and xeriscape (drought resistant, low water requirement) concepts in landscape plans.
- 10.5.19 Plant a uniform alignment of street trees planted along public streets at the spacing recommended by the City. Appropriate spacings are 15 metres along arterials, 10 metres along local and collector roads, lower spacing for smaller trees. If boulevard tree planting is not feasible along a street right-of-way, then tree planting along the front and exterior lot boundaries may be required at appropriate intervals.
- 10.5.20 For street tree selection along public boulevards, use the City's "Landscape Standards and Recommended Species Guide" as a reference.
- 10.5.21 Visual screening in the form of solid landscaping and/or fencing may be required along some segments of a site's perimeter, particularly adjacent to residential development.
- 10.5.22 Where landscaping for visual screening is required, plants selected shall be of sufficient height at maturity to provide a continuous screen not less than 2 metres in height and planted at a sufficient density to provide a hedge effect. Alternate screening measures such as solid fencing not less than 2 metres in height may be considered instead of or in combination with planting.

10.5.23 Locate refuse and recycling container areas where they are accessible to businesses and to container pick-up trucks, screen them with an appropriate durable enclosure, and provide landscaping around the perimeter of the enclosure where possible. Avoid direct exposure of refuse and recycling areas to public streets.

Access, Circulation and Parking Area Guidelines

10.5.24 Design the internal road and parking system for efficient circulation of all types of vehicles, with a layout that discourages speeding and provides safe pedestrian routes from parking lots to building entrances.

10.5.25 Encourage permeable materials for parking areas where possible, including gravel for areas that are used less frequently.

10.5.26 Encourage bioswales, permeable paving, and other design techniques that allow greater infiltration of water in and around parking areas.

10.5.27 Provide curb let-downs to accommodate universal accessibility from disabled parking spaces to buildings.

10.5.28 Encourage shared parking lot accesses to adjacent developments.

10.5.29 Design on-site lighting to minimize glare and overspill into adjacent residential properties, and into the sky. Submission of a detailed lighting plan may be required.

Exemptions

10.5.30 Development permits are not required in the Industrial Development Permit Areas for:

- a. interior renovations;
- b. an exterior renovation which does not require a building permit;
- c. an exterior addition with less than 100 square metres of floor area, in which the design is consistent with the form and character of the existing buildings as determined by the Development Services Department;
- d. an accessory building with less than 100 square metres of floor area, in which the design is consistent with the form and character of the existing principal buildings as determined by the Development Services Department; or
- e. subdivision.

DESIGN REVIEW PANEL MINUTES
November 24, 2021, 3:05 to 3:20 pm - Online, City Hall

Present: Paul Burrows (Panel Member)
Trent Sismey (Panel Member)
Marc Lamerton (Panel Member)
Bill Laird (Panel Member - Chair)
Jade Nielsen (Applicant DP-436)
Chris Larson (Senior Planner)

Applications: Development Permit Application No. DP-436

Application No. DP-436 – 3601 Avenue SE – Aviator Business Park Inc.

The applicant provided an overview of their project including Phase 1 (under development) and now Phase 2 under the current application. Panel members discussed the proposal and the need for industrial commercial space. It was noted that no variances have been requested as a part of the current proposal, as well the contemporary building designs, colors and high quality material were noted. The DRP discussed how the proposal represents a step above the typical industrial metal box-style of building more prevalent in industrial areas, complimenting the "storefront" look of the building and the positive impact on the frontage and streetscape. The DRP is supportive of the proposal as presented.

Panel Recommendation

THAT the DRP supports application DP-436 as presented noting the high quality colors and materials.

Endorsed on behalf of Design Review Panel

Further to your referral dated November 2, 2021, we provide the following servicing information.

General:

1. Full municipal services are required as noted herein. Owner / Developer to comply fully with the requirements of the Subdivision and Development Services Bylaw No 4163. Notwithstanding the comments contained in this referral, it is the applicant's responsibility to ensure these standards are met.
2. Comments provided below reflect the best available information. Detailed engineering data, or other information not available at this time, may change the contents of these comments.
3. Properties shall have all necessary public infrastructure installed to ensure properties can be serviced with (underground) electrical and telecommunication wiring upon development.
4. Property under the control and jurisdiction of the municipality shall be reinstated to City satisfaction.
5. Owner / Developer will be responsible for all costs incurred by the City of Salmon Arm during construction and inspections. This amount may be required prior to construction. Contact City Engineering Department for further clarification.
6. Erosion and Sediment Control measures will be required prior to the commencement of construction. ESC plans to be approved by the City of Salmon Arm.
7. At the time of development the applicant will be required to submit for City review and approval a detailed site servicing / lot grading plan for all on-site (private) work. This plan will show such items as parking lot design, underground utility locations, pipe sizes, pipe elevations, pipe grades, catchbasin(s), control/containment of surface water, contours (as required), lot/corner elevations, impact on adjacent properties, etc.
8. For the on-site development, prior to commencement the applicant will be required to submit to the City for review and approval detailed engineering plans in accordance with the requirements of the Subdivision and Development Servicing bylaw 4163. These plans must be prepared by a qualified professional engineer. As a condition of final subdivision approval, the applicant will be required to deposit with the City for a period of 1 year, funds equaling 10% of the estimated cost for all works that are to be transferred to the City.

DEVELOPMENT PERMIT APPLICATION NO. DP-436

08 December 2021

Page 2

APPENDIX 10

9. For the off-site improvements at the time of subdivision / building permit / development the applicant will be required to submit for City review and approval detailed engineered plans for all off-site construction work. These plans must be prepared by a qualified engineer. As a condition of subdivision / building permit / development approval, the applicant will be required to deposit with the City funds equaling 125% of the estimated cost for all off-site construction work.

Roads / Access:

1. Frontage Improvements to 20 Avenue SE have been secured under Servicing Agreement Number BP16982/3 with phase 1 of this development. No further upgrades will be required.
2. Confirmation is required that Road reserve has been registered along future 37 Street SE, along the eastern boundary of the subject property, including 5m x 5m corner cut.

Water:

1. As "cash in lieu" payment has been received for the future upgrading of the watermain on 20 Avenue SE to 250mm diameter across the frontage of the property with phase 1 of this development. No further upgrades will be required.
2. Payment has been received for the installation of a 200mm water service for the proposed development, together with the installation of an additional Fire Hydrant on 20 Avenue SE. No further upgrades will be required.
3. A Commercial Remote Frequency Head Water Meter will be required for the proposed development. Water meter will be supplied by the City at the time of Building Permit, at the Owner / Developer's cost. Owner / Developer is responsible for all associated costs.
4. The subject property is in an area with insufficient fire flows and pressures for industrial zoning according to the 2011 Water Study (OD&K 2012). Planned upgrade to the Zone 5 booster station will bring flows and pressure to bylaw requirements; therefore, no upgrades are required at this time.
5. Fire protection requirements to be confirmed with the Building Department and Fire Department.

Sanitary:

1. The subject property does not front on a City of Salmon Arm sanitary sewer system. Subject to the required approvals from Interior Health Authority, private on-site disposal systems will be required where sanitary is installed.

DEVELOPMENT PERMIT APPLICATION NO. DP-436
08 December 2021
Page 3

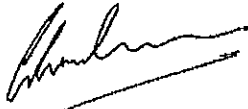

APPENDIX 10

Drainage:

1. The subject property does not front on an enclosed storm sewer system. Site drainage will be by an Overland and / or Ground Discharge system.
2. An Integrated Stormwater Management Plan (ISMP) conforming to the requirements of the Subdivision and Development Servicing Bylaw No. 4163, Schedule B, Part 1, Section 7 shall be provided. This shall include an "Alternative Stormwater System" in accordance with Section 7.2.

Geotechnical:

1. A geotechnical report in accordance with the Engineering Departments Geotechnical Study Terms of Reference for: Category A (Building Foundation Design), Category B (Pavement Structural Design), is required.

Item 23.1

**CITY OF SALMON ARM
NOTICE OF PUBLIC HEARING**

Notice is hereby given that the Council of the City of Salmon Arm will hold a Public Hearing virtually and in the Council Chambers at City Hall, 500 – 2 Avenue NE, Salmon Arm, British Columbia, on Monday, January 24, 2022 at 7:00 p.m.

1) **Proposed Amendment to Zoning Bylaw No 2303:**

Proposed Rezoning of Lot 17, Section 12, Township 20, Range 10, W6M, KDYD, Plan EPP69286 from R-1 (Single Family Residential Zone) to R-8 (Residential Suite Zone).

Civic Address: 1020 17 Avenue SE

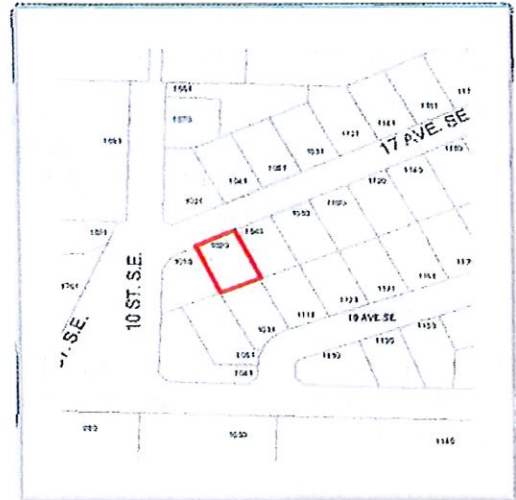

Location: East of 10 Street SE on the South side of 17 Avenue SE

Present Use: Bare Lot

Proposed Use: To permit the development of a Secondary suite within a single family dwelling

Owner/ Agent: Hanson, G. & G.

Reference: ZON-1226/ Bylaw No. 4488

The staff report for the proposal is available for viewing on the City of Salmon Arm website at <https://www.salmonarm.ca/431/Public-Hearing-Notices> from January 11, 2022 to January 24, 2022 inclusive. Those who deem their interest affected by the proposed bylaws are urged to review the online file, contact the undersigned or phone the Development Services Department at 250.803.4000 to obtain the facts of the proposal prior to the hearing.

Meetings are being held in person, with limited capacity, and virtually. In person attendance will be on a first come first serve basis and are subject to the provisions of the City of Salmon Arm COVID 19 Exposure Control Plan and in adherence with the Provincial Health Orders. If you wish to attend electronically email cityhall@salmonarm.ca.

City Council encourages the continued use of the city’s website to stay informed on current Development applications and Council Agendas.

Date: November 25, 2021

Subject: Zoning Bylaw Amendment Application No. 1226

Legal: Lot 17, Section 12, Township 20, Range 10, W6M, KDYD, Plan EPP69286
Civic Address: 1020 17 Avenue SE
Owner/Applicant: G. & G. Hanson

STAFF RECOMMENDATION

THAT: a bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 by rezoning Lot 17, Section 12, Township 20, Range 10, W6M, KDYD, Plan EPP69286 from R1 (Single Family Residential) to R8 (Residential Suite Zone).

PROPOSAL

To rezone a single family dwelling R1 (Single Family Residential Zone) property to R8 (Residential Suite Zone) in order to permit the development of a secondary suite within the single family dwelling that is proposed.

BACKGROUND

The subject property is located in the Byersview Subdivision in the Hillcrest neighbourhood (Appendix 1 & 2). The parcel is designated Residential Low Density in the City's Official Community Plan (OCP), and zoned R1 (Single Family Residential) in the Zoning Bylaw (Appendix 3 & 4).

Adjacent land uses include the following:

Table with 2 columns: Direction (North, South, East, West) and Zoning (Zoned R8, Zoned R1 & R8, Zoned R1, Zoned R1)

The subject property is approximately 761.6m² in area. A 204.9m² (2205ft²) single family dwelling is proposed. The proposed basement suite is approximately 46.5m² (501ft²). The entrance to the proposed suite is on the east side of the building. Drawings provided in support of the rezoning application are attached as Appendix 5. Parking is to be provided onsite in the proposed two car garage and driveway. The site plan shows a 3.0m wide easement along the west property line. The easement protects private sewer and storm connections for the upland property. The proposed development would not impact the easement area.

To date, there are approximately five (5) R-8 zoned properties in the subdivision and ten (10) R8-zoned properties within the greater general vicinity. Since the approval of the Byersview subdivision, staff have encouraged developers to rezone their subdivisions to permit secondary suites.

Policy 8.3.25 of the OCP provides for the consideration of secondary suites in all Residential (High, Medium, and Low) designated areas via a rezoning application, subject to compliance with the Zoning Bylaw and the BC Building Code. Based on parcel area, the subject property has potential to meet the conditions for the development of a secondary suite, including sufficient space to meet the parking requirement.

COMMENTSBuilding Department

No concerns with rezoning however the plans show a kitchen on all three levels of the house.

Engineering Department

No concerns.

Fire Department

No concerns.

FortisBC

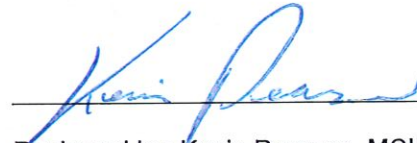

No concerns.

Planning Department

The conversion of a portion of the basement into a secondary suite is supported by the previously mentioned OCP policy and the proposed layout of the unit is compliant with zoning requirements, including an additional off-street parking space for the suite (on the proposed driveway). As per the above comments from the Building Department, staff reiterate that only one secondary suite is to be permitted. To address this, the applicant has submitted a letter of intent for the proposal (Appendix 6). Staff support the rezoning of the subject property from R1 (Single Family Residential Zone) to R8 (Residential Suite Zone).

Hello Evan.

I would like to respond to your inquiry about a single family dwelling at 1020-17th Ave., SE in Salmon Arm BC.

Our intent is to have a single-family dwelling on the main and third floor.

When I lived in Salmon Arm during the early 1980s I used to drive to the top 10th st. and soak in the beautiful view at the very top of the hill.

Even after I was married I used to take my family and show my wife and kids the beautiful view from up there. When the properties became available I was able to get the last lot that was for sale! It ended up being a very beautiful view of the lake ONLY if there was a third story. Therefore, we incorporated the third floor for my wife and I to enjoy the view and have morning Coffee. There will be no stove at all on the third-floor, only a sitting area.

We will live on the main floor of course, but similar to our home in Langley, we would go upstairs to our master bedroom.

In other words our intent is to have a single family dwelling with a rental suite on on the basement floor.

Hopefully this explains everything.

Sincerely,
Graham & Gertrude Hanson .

Item 23.2

**CITY OF SALMON ARM
NOTICE OF PUBLIC HEARING**

Notice is hereby given that the Council of the City of Salmon Arm will hold a Public Hearing virtually and in the Council Chambers at City Hall, 500 2 Avenue NE, Salmon Arm, British Columbia, on **Monday, January 24, 2022 at 7:00 p.m.**

1) (a) Proposed termination of Land Use Contract LUC P1971

LUC P1971 between the City and Inter-X Enterprises Ltd. Permitted the development of the 102 lot mobile home park strata know as Canoe Creek Estates. The final phase of the development was completed in 1992.

Civic Addresses: 5440, 5420, 5390, 5370, 5350, 5330, 5310, 5280, 5260, 5240, 5220, 5180, 5160, 5140, 5120, 70 Avenue NE, 5391, 5381, 5371, 5351, 5331, 5311, 5299, 5380, 5370, 5350, 5340, 5320, 5260, 5280, 5290, 5281, 5271, 5261, 5251, 5250, 5231, 5221, 5150, 5140, 5120, 5131, 5141, 5151, 5161, 5191 69 Avenue NE, 6950, 6920 54 Street NE, 6850, 6820 53 Street NE, 5021, 5291, 5281, 5261, 5251, 5061, 5081, 5091 68 Avenue NE, 5201, 5221, 5231, 5241, 5251, 5261, 5271, 5280, 5260, 5250, 5240, 5230 67 Avenue NE, 6820, 6840, 6860, 6880, 6881, 6861, 6841, 6821 52 Street NE, 6790, 6770, 6750, 6690, 6670, 6660, 6650, 6640, 6630, 6620, 6610, 6611, 6621, 6631, 6641, 6651, 6661, 6671, 6691, 6721, 6731, 6751, 6771, 6791 51 Street NE

Location: Canoe Creek Estates
Reference: LUC P1971/Bylaw 4485

The staff report for the proposal is available for viewing on the City of Salmon Arm website at <https://www.salmonarm.ca/431/Public-Hearing-Notices> from January 11 - 24, 2022 inclusive. Those who deem their interest affected by the proposed bylaws are urged to review the online file, contact the undersigned or phone the Development Services Department at 250.803.4000 to obtain the facts of the proposal prior to the hearing.

Meetings are being held in person, with limited capacity, and virtually. In person attendance will be on a first come first serve basis and are subject to the provisions of the City of Salmon Arm COVID 19 Exposure Control Plan and in adherence with the Provincial Health Orders. If you wish to attend electronically email cityhall@salmonarm.ca.

City Council encourages the continued use of the city's website to stay informed on current Development applications and Council Agendas.

AND THAT: a bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303, 1995 rezoning Lots 1 to 101, Section 32, Township 20, Range 9, W6M, KDYD, Plan K299 from R1 – Single Family Residential to R6 – Mobile Home Park Residential, as shown on 'Schedule A';

AND THAT: a bylaw be prepared for Council's consideration, adoption of which would amend the Mobile Home Park Bylaw No. 1435;

AND FURTHER THAT: Final reading of the zoning amendment bylaw be withheld subject to Ministry of Transportation and Infrastructure approval.

P128
PURPOSE

To review the Early Termination of Land Use Contract (LUC) P1971 (Canoe Creek Estates) and rezoning the subject property from R1 (Single Family Residential) to R6 (Mobile Home Park Residential) with amendments to the Mobile Home Park Bylaw No. 1435 to accommodate existing development on the subject property.

BACKGROUND

The subject property located in the Canoe Area adjacent to 70 Avenue NE and also accessed via 50 St NE. The subject property is designated in the Official Community Plan (OCP) as Residential Low Density and zoned R1(Single Family Residential) in Zoning Bylaw 2303. The subject property is approximately 6.8ha in area and is comprised of 101 bareland strata lots. A map of the subject property, OCP, zoning and ortho are attached as Appendix 1, 2 3, and 4. The proposed zoning is shown in Appendix 5. The survey plan of the development is faded and a higher quality plan is unavailable; however, the subject property map shows the strata lot boundaries as shown in the original plan.

Developed in the late 1970's and early 1980's the developer approached the City to develop the mobile home park. However, the development would have required several variances to the governing Mobile Home Park Bylaw and Zoning Bylaw No. 1180 at the time. In order to simplify the development process the LUC was adopted and included requisites such as the number of lots, buffers and park areas, building setbacks, permitted uses (mobile homes and a single family dwelling for a caretaker) and off-site engineering costs. The mobile home park eventually developed over 3 phases with the section between the creek and 70 Ave NE developed in two phases and the remainder of the property, south of the creek, as developed as the last phase. The LUC is enclosed as Appendix 6.

The surrounding uses are as follows:

North: Single Family Dwellings
East: Trans Canada Highway/Mobile Home Park
West: Single Family Dwellings, Duplex and Historic Church
South: Canoe Fire Hall

Density

The subject property is approximately 6.8ha in area. Residential Low Density in the OCP allows for 22 units per hectare, given the lot area, the site could develop a maximum of 149 lots. The R6 zone allows for 17 units per ha. The Mobile Home Park Bylaw No.1435 restricts density to 10.5 per hectare, which would permit 71 lots. With 101 lots, the subject property would be conforming with permitted density under the OCP but not the R6 zone. There is no further development or subdivision expected; however, including the density of existing development in the proposed amendments ensures consistency into the future.

Setbacks

In the interest of ensuring that the development remains conforming to bylaws, staff are proposing changes to the Mobile Home Park Bylaw No. 1435 to incorporate the existing development that was approved with the LUC.

Table 1. Canoe Creek Estates Development Information & Bylaws is a summary of the different governing bylaws and compares the LUC with the Mobile Home Park Bylaw at the time the LUC was adopted, the current R6 zone and the current Mobile Home Park Bylaw No. 1435. The R6 zone includes some provisions regarding parcel area and maximum density, Mobile Home Park Bylaw No. 1435 provides more details regarding setbacks, buffering, height restrictions and site coverage. The proposed amendments to the Mobile Home Park Bylaw are highlighted in red in Table 1. The proposed amendments have involved researching all property files within the strata and noting development approvals for buildings and variances as well as analyzing any future development potential. The proposed bylaw amendments would permit additions to the existing buildings and placement of new structures in accordance with the setbacks governed under the LUC.

There have been two site specific variances granted for development within the strata. A Development Variance Permit was issued for Lots 63, 66, 87, 88 and 92 to reduce the rear yard setback from 1.5m to 1.0m. Another Development Variance Permit was issued for Lot 101, reducing the setback from an internal roadway from 3.0m to 2.3m. The Development Variance Permits are registered on the titles for those properties and would be unaffected by these proposed changes.

From 1979 to 2005 City policy did not require Building Permits for the placement of mobile homes within Mobile Parks. Building setbacks existed but it was the responsibility of the owner to ensure the setbacks were adhered

to when the unit was placed on a property. At the time that units are replaced within Canoe Creek Estates staff may find some discrepancies between the placement of a unit and the required setbacks, at which time, the owner would then have to apply for a Development Variance Permit to ensure that the building is compliant.

COMMENTS

Engineering Department

The Engineering Department noted no concerns related to the LUC Early Termination or Bylaw Amendments. Given that full buildout of the development site has occurred the early termination of the LUC and proposed bylaw amendments do not trigger any service upgrades.

Building Department

No comments.

Fire Department

No comments.

BC Assessment

BC Assessment Staff noted that since there would be no change in the classification of the property (i.e. Residential) the amendments should not result in any appreciable change.

Consultation

In addition to the statutory letter requirements that accompany bylaw amendments, staff have sent letters to property owners informing them of the LUC Early Termination process and created a webpage to support the process. A letter was mailed to owners and occupiers in October 2020 with general information related to the Early Termination project. A second letter specific to the timeline of the Canoe Creek Estates LUC was mailed in early November 2021. The letters and website provide background information with regard to LUCs in general and those specific to each affected property. The letters have provided timelines and 'next steps' for property owners and how they may provide input to staff and Council regarding the LUC termination and any accompanying bylaw amendments. It should be noted that Statutory Hearing letters are mailed to the owners affected by the LUC Early Termination; however, pursuant to the *Local Government Act*, because the rezoning affects more than 10 properties, letters to adjacent land owners within a 30m radius will not be mailed.

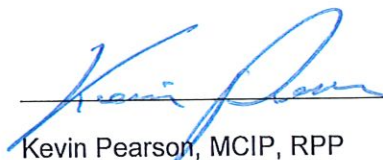

Table 2, below, is a list of LUCs that form the basis for the Early Termination project, the general conditions of the LUC and the number of properties encumbered by a LUC is included in the table. To date Council has adopted three LUC Early Termination Bylaws – Multifamily Residential Area around the Recreation Centre, Abacus and Greyfriars. After staff review, three LUCs will expire as per the legislation in June 2024 and the prevailing zoning for the properties will come into effect for the Captain's Cove, Fritzel and Fuller LUCs. The owners will be notified by mail.

CONCLUSION

When considering the Early Termination of and rezoning of a property a number of factors are taken into consideration. Specific factors include – analysis of development potential under the existing and future regulations, existing parcels and lot widths for compliance with proposed regulations, permitted uses under the existing regulations, those uses permitted under the proposed bylaws and the effect of non-conforming status for the existing development. Planning staff support the proposed termination of the LUC and rezoning from R1 Single Family Residential to R6 Mobile Home Park Residential because the bylaw amendments would bring the existing development into conformance with the current City's Bylaws. Given that the subject property is fully 'built-out', the proposed regulatory changes would apply to the site redevelopment or placement of new units within the development.

79 JAN 14 1979

THIS AGREEMENT made the 9. day of January, A. D. 1979.

BETWEEN:

DISTRICT OF SALMON ARM

a municipal corporation having its municipal offices at 8640 Harris Street, in the District of Salmon Arm Province of British Columbia,

(hereinafter called the "Municipality")

OF THE FIRST PART

AND:

INTER-X ENTERPRISES LTD.

(Incorporation No. 110,110)

a body corporate duly registered under the laws of the Province of British Columbia with offices at P. O. Box 1098, in the District of Salmon Arm, Province of British Columbia,

(hereinafter called the "Developer")

OF THE SECOND PART

WHEREAS the Municipality, pursuant to Section 702A of the Municipal Act, may, notwithstanding any by-law of the Municipality, or Section 712 or 713 of the Municipal Act, enter into a land use contract containing such terms and conditions for the use and development of land as may be agreed upon with a developer, and thereafter the use and development of the land shall be in accordance with the land use contract;

AND WHEREAS the Municipal Act requires that the Municipal Council consider the criteria set out in Section 702(2) and 702A(1) in arriving at the terms, conditions and consideration contained in a land use contract;

AND WHEREAS the Developer has presented to the Municipality a scheme of use and development of the within described lands and premises that would be in contravention of a by-law of the Municipality, of Section 712 or 713 of the Municipal Act, or both, and has requested that the Council of the Municipality enter into this contract under the terms, conditions and for the consideration hereinafter set forth;

0005.00 - 2

11 JAN 79

AND WHEREAS the land hereinafter described is zoned Residential One under the provisions of the Salmon Arm Zoning By-law 1976 No. 1180;

AND WHEREAS the Council of the Municipality, having given due consideration to the criteria set forth in Sections 702(2) and 702A(1) of the Municipal Act, have agreed to the terms, conditions and consideration herein contained;

AND WHEREAS if the land is within a radius of one-half mile of the intersection of a controlled access highway and another highway, the approval of the Minister of Highways to the terms hereof must be obtained;

AND WHEREAS the land is within a development area of the Municipality;

AND WHEREAS the Municipality and the Developer both acknowledge that the Council of the Municipality could not enter into this Agreement, until the Council held a public hearing in relation to this Agreement, and considered any opinions expressed at such hearing, and unless a majority of all of the members of the Council present at the meeting at which the vote is taken and entitled to vote on the by-law, voted in favour of the by-law authorizing the Municipality to enter into this Contract;

NOW THEREFORE THIS AGREEMENT WITNESSETH that in consideration of the premises and the conditions and covenants hereinafter set forth, the Municipality and the Developer covenant and agree as follows:

OWNER

1. The Developer is the registered owner of an estate in fee simple of ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the District of Salmon Arm, in the Province of British Columbia and being more particularly known and described as:

"Those portions of Block 1, Plan 1882, except Plans 2494, 4894, 6012, 15363, 15500 and 15754, Lot 2, Plan 4894, and Lot 1, Plan 6012, all of Section 32, Township 20, Range 9, West of the 6th Meridian, Kamloops Division, Yale District, shown and described as Lot 1 on a Plan of Subdivision of the said lands, prepared by William E. Maddox, B.C. Land Surveyor, and completed on October 6th, 1978, a print of which is hereto attached as Schedule A".

(hereinafter called the "Land")

67
OK'D
10.1.79

COMPLIANCE

2. Except as hereinafter specifically provided, the Developer shall in his use and development of the land comply with all of the by-laws of the Municipality;

2 (a) The Developer shall be specifically excluded from complying with, inter alia, the following provisions of By-law No. 1258:

FIRSTLY - Section 4.07(2) Mobile Home Lot dimensions shall be those shown and described on Schedule B hereto;

SECONDLY - Section 4.08(2) (a) re: separation between mobile homes and between other principal buildings. The Developer shall ensure instead that such sitings shall be not less than 3.66 metres (12 ft.);

THIRDLY - Section 4.08(5) re: height of buildings shall specifically not apply to the existing house and buildings contained on the said land at the date of this agreement, nor to any renovation or replacement of the said building on the strata lot on which it is situated. The provisions of said Section 4.08(3) shall apply to all other lots and buildings located on the said lands.

3. "The Developer may develop subject always to the terms hereof and use the land as a Mobile Home Subdivision as more particularly shown on the Plan attached hereto as Schedule B".

USE

4. The Land, including the surface of water and any and all buildings, structures and improvements erected, placed or located thereon may be used for the following and no other purposes, that is to say:

- (a) Lots 1 to 102 inclusive except Lot 58 of the Subdivision may be used for the purpose of single family mobile home dwellings of either single or double width as more particularly designated on Schedule "B" hereof;
- (b) that portion of the Land shown cross-hatched in black on Schedule "B" hereof may be used for the purposes of accomodation of the strata corporation's Resident Manager and family and in respect thereof the provisions of the R-1 Zone of the Salmon Arm Zoning By-Law 1976 No. 1180 as amended from time to time shall apply thereto;
- (c) those portions of the Land designated as parking areas on Schedule "B" hereof may be used for the purposes of off-street parking for guests of mobile home owners within the Subdivision; Provided 21 parking spaces shall be reserved for the use of residences of the subdivision for the parking of recreation vehicles;
- (d) those areas of the Land designated as park or buffer on Schedule "B" hereof may be used for the purposes authorized for such areas under the provisions of District of Salmon Arm Mobile Home Park By-Law 1978 No. 1258;

SUBDIVISION 5.

The Developer may, notwithstanding the provisions of Section 21 of the District of Salmon Arm Zoning By-Law 1976 No. 1180, but subject to the provisions of the Bare Land Strata Regulations enacted pursuant to the Strata Titles Act, subdivide the Land by way of a Bare Land Strata plan and create thereby one hundred and one (101) Bare Land Strata lots, common areas, roads and access routes all of a size, configuration and in locations more particularly shown on the plan attached hereto as Schedule "C" hereof (hereinafter called the "Subdivision"), together with one strata lot containing an existing house, located thereon at the date of this agreement, providing such subdivision may be in phases of not less than ten (10) lots per phase.

SERVICING

6. The Developer shall prior to obtaining the Approving Officer's approval of any Strata Plan for any phase or obtaining any building permit from the Municipality, in respect of the placement on the Land of any mobile home, whichever application is earlier made by the Developer, at its sole cost:

- (a) provide, install and construct the works, services, roads and access routes within the Subdivision required to be provided, installed and constructed pursuant to the provisions of the Bare Land Strata Regulations enacted pursuant to the Strata Titles Act; Providing the developer shall not be required to actually construct mobile home pads prior to obtaining the above approval;
- (b) provide, install and construct such off-site works and services as may be required by the Engineer of the Municipality including, without limitation:
 - (i) extending existing municipal water and sanitary sewer trunk mains to the boundaries of the Land;
 - (ii) providing and installing fire hydrants and street lighting on perimeter roads surrounding the Land;
 - (iii) providing and installing a storm drainage system in the area of the Land
 - (iv) providing a partial overhead, partial underground power supply

and such works and services shall be provided, installed and constructed by the Developer in accordance with the standards and specifications set out in District of Salmon Arm Subdivision Control By-Law No. 1087 as supplemented by standards and specifications provided by the Engineer of the Municipality;

- (c) deposit with the Municipality an unconditional, irrevocable Letter of Credit drawn on a Canadian Chartered Bank in an amount equal to fifteen per cent (15%) of the total cost of the works and services provided in each phase of development, described in paragraph 6(b)(i)(ii) and (iii) hereof and the total cost of any works and services described in paragraph 6(a) hereof contained within the boundaries of public highways or rights of way in favour of the Municipality, in each phase of development, each for a term of not less than one (1) year from the date of completion

SERVICING

6. (c) of such works and services and in a form satisfactory to the Municipality;
- (d) reproducible "as-built" drawings of the works and services described in paragraph 6(c) hereof;
- (e) execute and register against title to the land in the Land Registry Office at Kamloops an Agreement under Section 24A of the Land Registry Act whereby the Developer covenants and agrees to maintain the existing creek on the property in its natural state.

7. Notwithstanding the provisions of paragraph 6(a) hereof in the event the Developer intends to develop the subdivision by way of a phased strata plan under the provisions of Part II of the Strata Titles Act, the Developer may provide, install and construct the works and services, roads and access routes required to be provided, installed and constructed pursuant to paragraph 6(a) and 6(b) hereof in accordance with the phased Strata Plan deposited by the Developer.

MOBILE HOME
PARK BY-LAW

8. In its development and use of the Land as a mobile home subdivision the Developer, and any strata corporation created upon the subdivision of the Land and any owner of any strata lot shall comply with and be subject to the provisions of District of Salmon Arm Mobile Home Park By-Law 1978 No. 1258, as amended from time to time and any reference in the said by-law to "owner" shall be deemed to be a reference to the Developer or to the strata corporation, as the case may be, PROVIDED ALWAYS, HOWEVER, that in the event of any conflict between the provisions of By-Law No. 1258 and the provisions of this Agreement or the provisions of District of Salmon Arm Subdivision Control By-Law No. 1087 or the provisions of the Bare Lands Strata Regulations enacted pursuant to the Strata Titles Act, the provisions of this Agreement or By-Law No. 1087 or the Bare Land Strata Regulations, as the case may be, shall prevail.

MAINTEN-
ANCE OF
SERVICES

9. The Developer shall:
- (a) maintain the works and services installed by the Developer and more particularly described in paragraph 6(c) hereof, in complete repair for a period of one (1) year from the completion thereof to the satisfaction of the Engineer of the Municipality;
- (b) remedy any defects appearing in the said works and services and pay for any damage to other property or works resulting therefrom for a period of one (1) year from completion of the said works and services, save and except for defects caused by reasonable wear and tear, negligence of the Municipality, its servants or agents or acts of God.

USE OF
SECURITY

10. In the event that the Developer fails to perform any of the covenants on its part to be performed pursuant to Paragraph 9 hereof within the time limited therein for performance the Municipality may call for and receive all funds secured by the Letter of Credit deposited by the Developer pursuant to paragraph 6(c) hereof and may complete the work at the cost of the Developer and deduct from any such funds the costs of such

USE OF
SECURITY

completion and the balance of such funds, if any, without interest thereon, shall be returned to the Developer less any administration fees required by the Municipality. If there is insufficient money on deposit with the Municipality then the Developer shall pay such deficiency to the Municipality upon receipt of the Municipality's bill for completion. It is understood that the Municipality may do such work either by itself or by contractors employed by the Municipality. If the Developer performs the said covenants the Municipality shall deliver up the Letter of Credit to the Developer for cancellation.

ACCEPT-
ANCE

11. The Municipality shall, upon the expiration of the one (1) year period referred to in paragraph 9 hereof and provided such works and services have been constructed and maintained in accordance with the provisions of this Agreement and are functioning properly, accept the works and services referred to in paragraph 6(c) hereof and thereafter the Municipality shall be solely responsible for the operation, upkeep and maintenance thereof.

OWNERSHIP
OF
SERVICES

12. All works and services installed by the Developer described in paragraph 6(c) hereof shall, upon their acceptance by the Municipality as hereinbefore provided, become the property of the Municipality free and clear of any claim by the Developer or any person claiming through the Developer and the Developer shall save harmless the Municipality from any such claim.

EXTRA OFF-
SITE
COSTS

13. It is acknowledged by the parties hereto that as a result of the Developer paying the funds hereinafter specified the development proposed will not create an excessive cost to be borne by the Municipality. It is further acknowledged by the parties hereto that the impact of the proposed development on present and future public costs has been partially eliminated as a result of the Developer providing the funds hereinafter specified and carrying out the works provided for in this Agreement.

The Developer shall pay to the Municipality, by way of cash or certified cheque at the time of approval by the Approving Officer of any Strata plan for any phase of the Subdivision or at the time of application for a building permit authorizing the placement of a mobile home on the Land for such phase or sooner at the Developer's option, whichever the earlier occurs.

- (a) if on or before December 31, 1980, the sum of Seven Hundred and Eighty-Three Dollars (\$783.00) for each strata lot created by the plan or for each mobile home authorized to be placed by a building permit issued by the Municipality, whichever the case may be; or
- (b) if subsequent to December 31, 1980, such sum for each strata lot as is then charged by the Municipality in respect of like developments either pursuant to the provisions of a development cost charge by-law enacted by the Municipality or otherwise.

MISCELLANEOUS

14. The Developer shall pay to the Municipality:

- (a) upon execution of this Agreement by the Municipality any fees required to be paid pursuant to the provisions of Section 2.02(8) of District of Salmon Arm Mobile Home Park By-Law No. 1258;
- (b) at the time of approval of any plan of any phase of the subdivision any fees required to be paid pursuant to the provisions of the Bare Land Strata Regulations enacted pursuant to the Strata Titles Act;
- (c) upon demand, any legal costs incurred by the Municipality in the preparation or registration of this Agreement.

INCORPORATION

15. Schedules A to E inclusive hereof are hereby incorporated into and made part of this Agreement.

REPRESENTATION

16. It is understood and agreed that the Municipality has made no representations, covenants, warranties, guarantees, promises or agreements (verbal or otherwise) with the Developer other than those contained in this Agreement.

REGISTRATION

17. This Agreement shall be construed as running with the Land and shall be registered in the Land Registry Office at Kamloops by the Municipality pursuant to the provisions of Section 702A(4) of the Municipal Act.

BINDING

18. Except as hereinbefore provided this Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, administrators, successors and assigns.

INTERPRETATION

19. Whenever the singular or masculine or neuter is used herein the same shall be construed as meaning the plural, feminine or body corporate or politic where the context or the parties so require.

DISCHARGE

20. It is further understood and agreed by the parties hereto that upon completion of the Development contemplated by this Agreement, this Agreement may be discharged by the Municipality at the Developer's cost by the registration in the Land Registry Office at Kamloops of a Quit Claim Deed referring to the registration of this Agreement. PROVIDED, HOWEVER, that this Agreement may not be discharged by the Municipality if the discharge thereof will render any of the lands or improvements thereon non-conforming with the by-laws of the Municipality.

A Public Hearing on this Agreement was held on the 18 day of ~~October~~, A.D. 1978.

The terms of this Contract were approved by the Ministry of Highways and Public Works on the 8 day of ~~January~~, 1979.

This Agreement was approved on the 8 day of ~~January~~ A.D., 1979 by a majority vote of all the members of the Council present at the meeting at which the vote was taken and entitled to vote on the authorizing bylaw.

CITY OF SALMON ARM

BYLAW NO. 4488

A bylaw to amend "District of Salmon Arm Zoning Bylaw No. 2303"

WHEREAS notice of a Public Hearing to be held by the Council of the City of Salmon Arm in the Council Chambers at City Hall, 500 - 2 Avenue NE, Salmon Arm, British Columbia and by electronic means, on January 24, 2022 at the hour of 7:00 p.m. was published in the January 12, 2022, and the January 19, 2022 issues of the Salmon Arm Observer;

AND WHEREAS the said Public Hearing was duly held at the time and place above mentioned;

NOW THEREFORE the Council of the City of Salmon Arm in open meeting assembled enacts as follows:

1. "District of Salmon Arm Zoning Bylaw No. 2303" is hereby amended as follows:

Rezone Lot 17, Section 12, Township 20, Range 10, W6M, KDYD, Plan EPP69286 from R-1 (Single Family Residential Zone) to R-8 (Residential Suite Zone), attached as Schedule "A".

2. SEVERABILITY

If any part, section, sub-section, clause of this bylaw for any reason is held to be invalid by the decisions of a Court of competent jurisdiction, the invalid portion shall be severed and the decisions that it is invalid shall not affect the validity of the remaining portions of this bylaw.

3. ENACTMENT

Any enactment referred to herein is a reference to an enactment of British Columbia and regulations thereto as amended, revised, consolidated or replaced from time to time.

4. EFFECTIVE DATE

This bylaw shall come into full force and effect upon adoption of same.

CITY OF SALMON ARM

BYLAW NO. 4485

A bylaw to terminate Land Use Contracts in the City of Salmon Arm

WHEREAS pursuant to section 548 of the *Local Government Act* the City of Salmon Arm may address early termination of a land use contract that is entered into and registered in a land title office subject to the terms and conditions therein set out;

AND WHEREAS mandatory notice required under section 466(5) of the *Local Government Act* for a Public Hearing to be held by the Council of the City of Salmon Arm in the Council Chambers at City Hall, 500 – 2 Avenue NE, Salmon Arm, British Columbia, on January 24, 2022 at the hour of 7:00 p.m. and was published in the January 12, 2022 and the January 19, 2022 issues of the Salmon Arm Observer and delivered at least 10 days prior of all parcels, any part of which is subject to the land use contract that the bylaw will terminate or is within a distance specified by bylaw from that part of the area that is subject to that land use contract;

AND WHEREAS the said Public Hearing was duly held at the time and place above mentioned;

NOW THEREFORE the Council of the City of Salmon Arm in open meeting assembled enacts as follows:

1. That "District of Salmon Arm Land Use Contract Bylaw No. 1279", registered in the Kamloops Land Title Office under document number P1971 against title to the lands in the table below and further shown on Schedule 'A', is terminated:

PID	Legal Description	Civic Address

3. The Mayor and Corporate Office are hereby authorized to execute any documents necessary to terminate, release and discharge the Land Use Contracts above mentioned.

4. SEVERABILITY

If any part, section, sub-section, clause of this bylaw for any reason is held to be invalid by the decisions of a Court of competent jurisdiction, the invalid portion shall be severed and the decisions that it is invalid shall not affect the validity of the remaining portions of this bylaw.

5. ENACTMENT

Any enactment referred to herein is a reference to an enactment of British Columbia and regulations thereto as amended, revised, consolidated or replaced from time to time.

7. EFFECTIVE DATE

This bylaw shall come into full force and effective one year and one day from the date of adoption.

8. CITATION

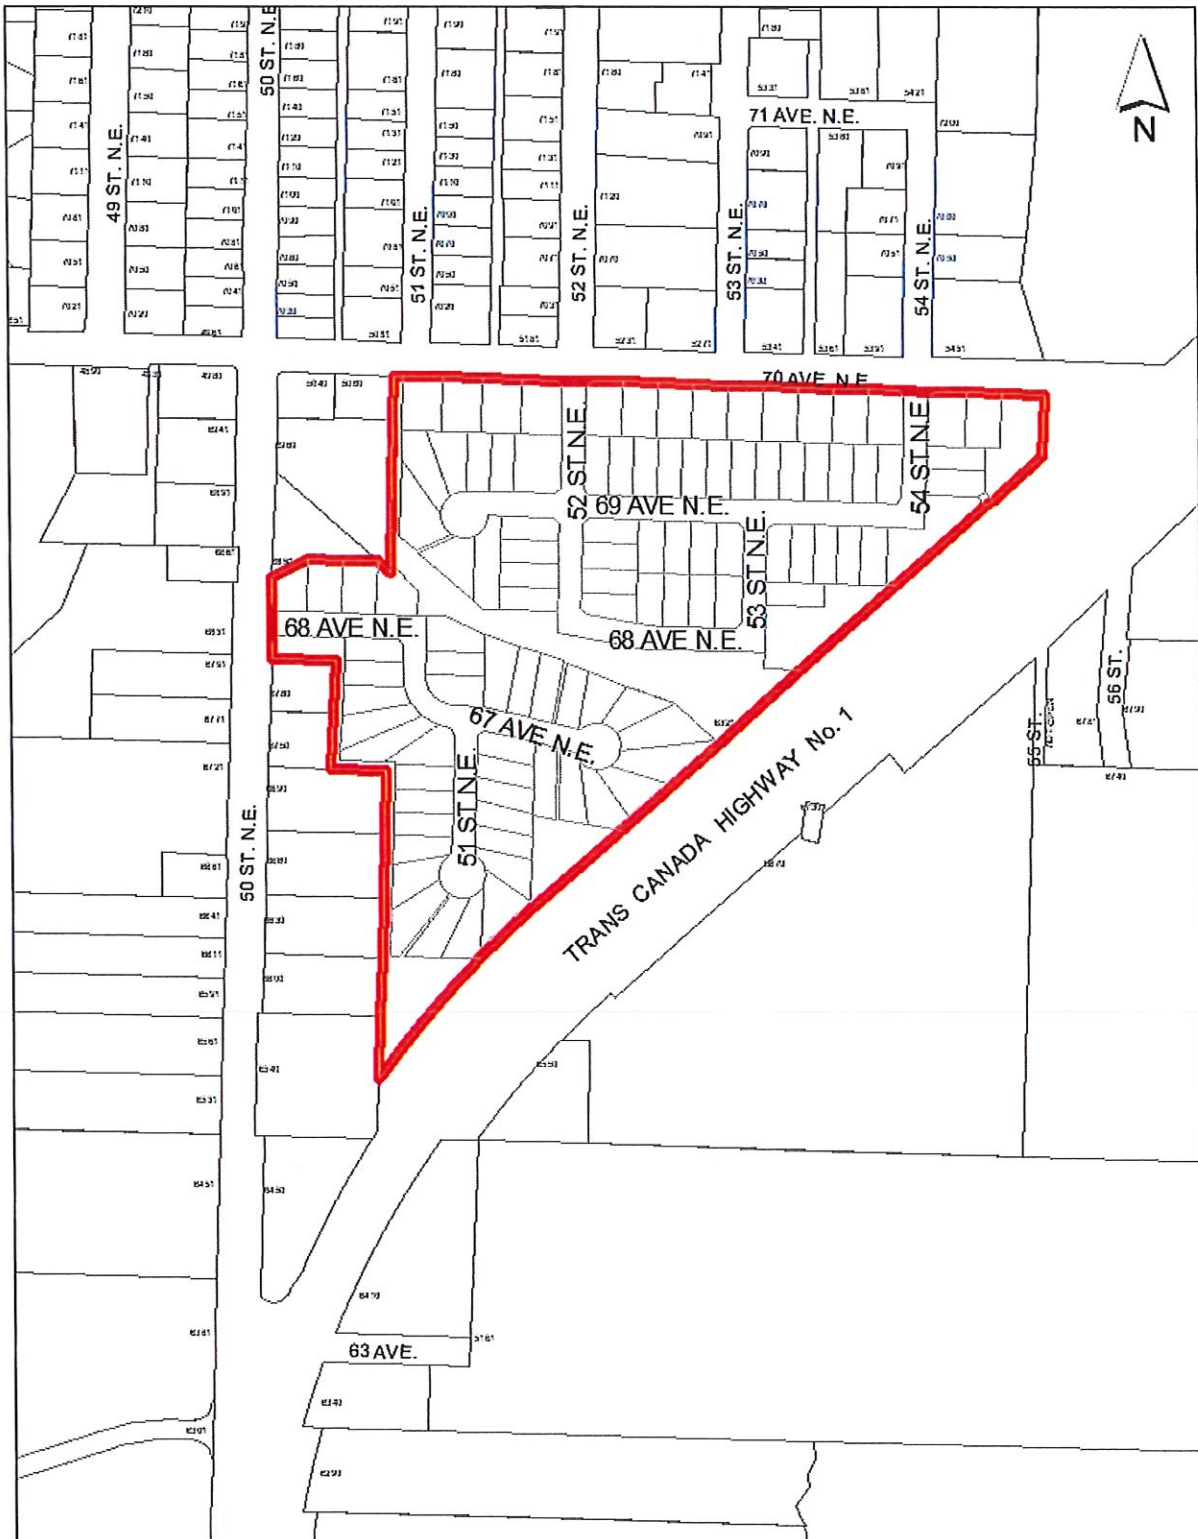

This bylaw may be cited as "City of Salmon Arm Land Use Contract Termination Bylaw No. 4485"

CITY OF SALMON ARM

BYLAW NO. 4486

A bylaw to amend "District of Salmon Arm Zoning Bylaw No. 2303"

WHEREAS notice of a Public Hearing to be held by the Council of the City of Salmon Arm in the Council Chambers at City Hall, 500 - 2 Avenue NE, Salmon Arm, British Columbia and by electronic means, on January 24, 2022 at the hour of 7:00 p.m. was published in the January 12, 2022 and the January 19, 2022 issues of the Salmon Arm Observer;

AND WHEREAS the said Public Hearing was duly held at the time and place above mentioned;

NOW THEREFORE the Council of the City of Salmon Arm in open meeting assembled enacts as follows:

1. "District of Salmon Arm Zoning Bylaw No. 2303" is hereby amended as follows:

Rezone:

CITY OF SALMON ARM

BYLAW NO. 4487

A bylaw to amend Mobile Home Park Bylaw No. 1435

WHEREAS it is deemed advisable to amend "City of Salmon Arm Mobile Home Park Bylaw No. 1435";

NOW THEREFORE the Council of the City of Salmon Arm in open meeting assembled enacts as follows:

1. "District of Salmon Arm Mobile Home Park Bylaw No. 1435" is hereby amended by the addition of the following:

Section 3.3.1

Mobile home spaces within Canoe Creek Estates shall be 250m² for single wide units and 500m² for double wide units.

Section 3.3.2

For mobile home spaces within Canoe Creek Estates (KAS299) the minimum width for a mobile home space is 9m (29.5 ft).

Section 5.2.3

- (4) For mobile homes and additions within the Canoe Creek Estates (KAS299) development, no mobile home or addition shall be located closer than 3.66m from any other mobile unit or addition to existing units.

5. SEVERABILITY

If any part, section, sub-section, clause, or sub-clause of this bylaw for any reason is held to be invalid by the decision of a Court of competent jurisdiction, the invalid portion shall be severed and the decision that it is invalid shall not affect the validity of the remaining portions of this bylaw.

6. ENACTMENT

Any enactment referred to herein is a reference to an enactment of British Columbia and regulations thereto as amended, revised, consolidated or replaced from time to time.

7. EFFECTIVE DATE

This bylaw shall come into full force and effect upon adoption of same.

8. This bylaw may be cited for all purposes as "**City of Salmon Arm Mobile Home Park Amendment Bylaw No. 4487**".
