

**Proposed 130 Development project Council Meeting on Tuesday**  
**May24,2022 @7pm**

The City or Developer should consider an upgrade or re-surfacing of the lane between Shuswap and 1 Street SE prior to granting approval to the project. This lane is extensively used to access the afore-mentioned streets by the occupants of the block.

The lane is in poor condition ,please see pictures.

Presently, at least 20 x vehicles use the lane in question without counting the new additional occupants.

Presently, on the

1 Street side :Telus, Jeff, Dana,,Toys, Curtis, Rose,,Donna, Daycare, Debbie.

Shuswap Street side: Barley Station, Resident, Apartment{15 units}, Resident, Church.
