Re: neighbors wall at 2871 25<sup>th</sup> Avenue NE, Salmon Arm, B.C.

I am a direct neighbor to the above property and share a property line. I have had discussions with the builder and homeowner and when consulted agreed that this would be necessary to stop land erosion onto my property as well as increase the privacy and future safety concerns between properties.

I have no issues with this wall / fence height construction.

Thank you,
